Diploma of Manufacturing Technology [Structural Steel Detailing]

Central Institute of Technology in Western Australia has stepped up to meet the challenge of supplying Diploma trained students in the skill shortage area of Structural Design Drafting and Structural Steel Detailing.

The diploma is delivered over a 15 week period in a full time engineering/drafting simulated office environment.
Monday 8.30 to Friday 4.30

We are also considering running the course part time over 2 semesters or 34 weeks.
